

WYPRAWKA

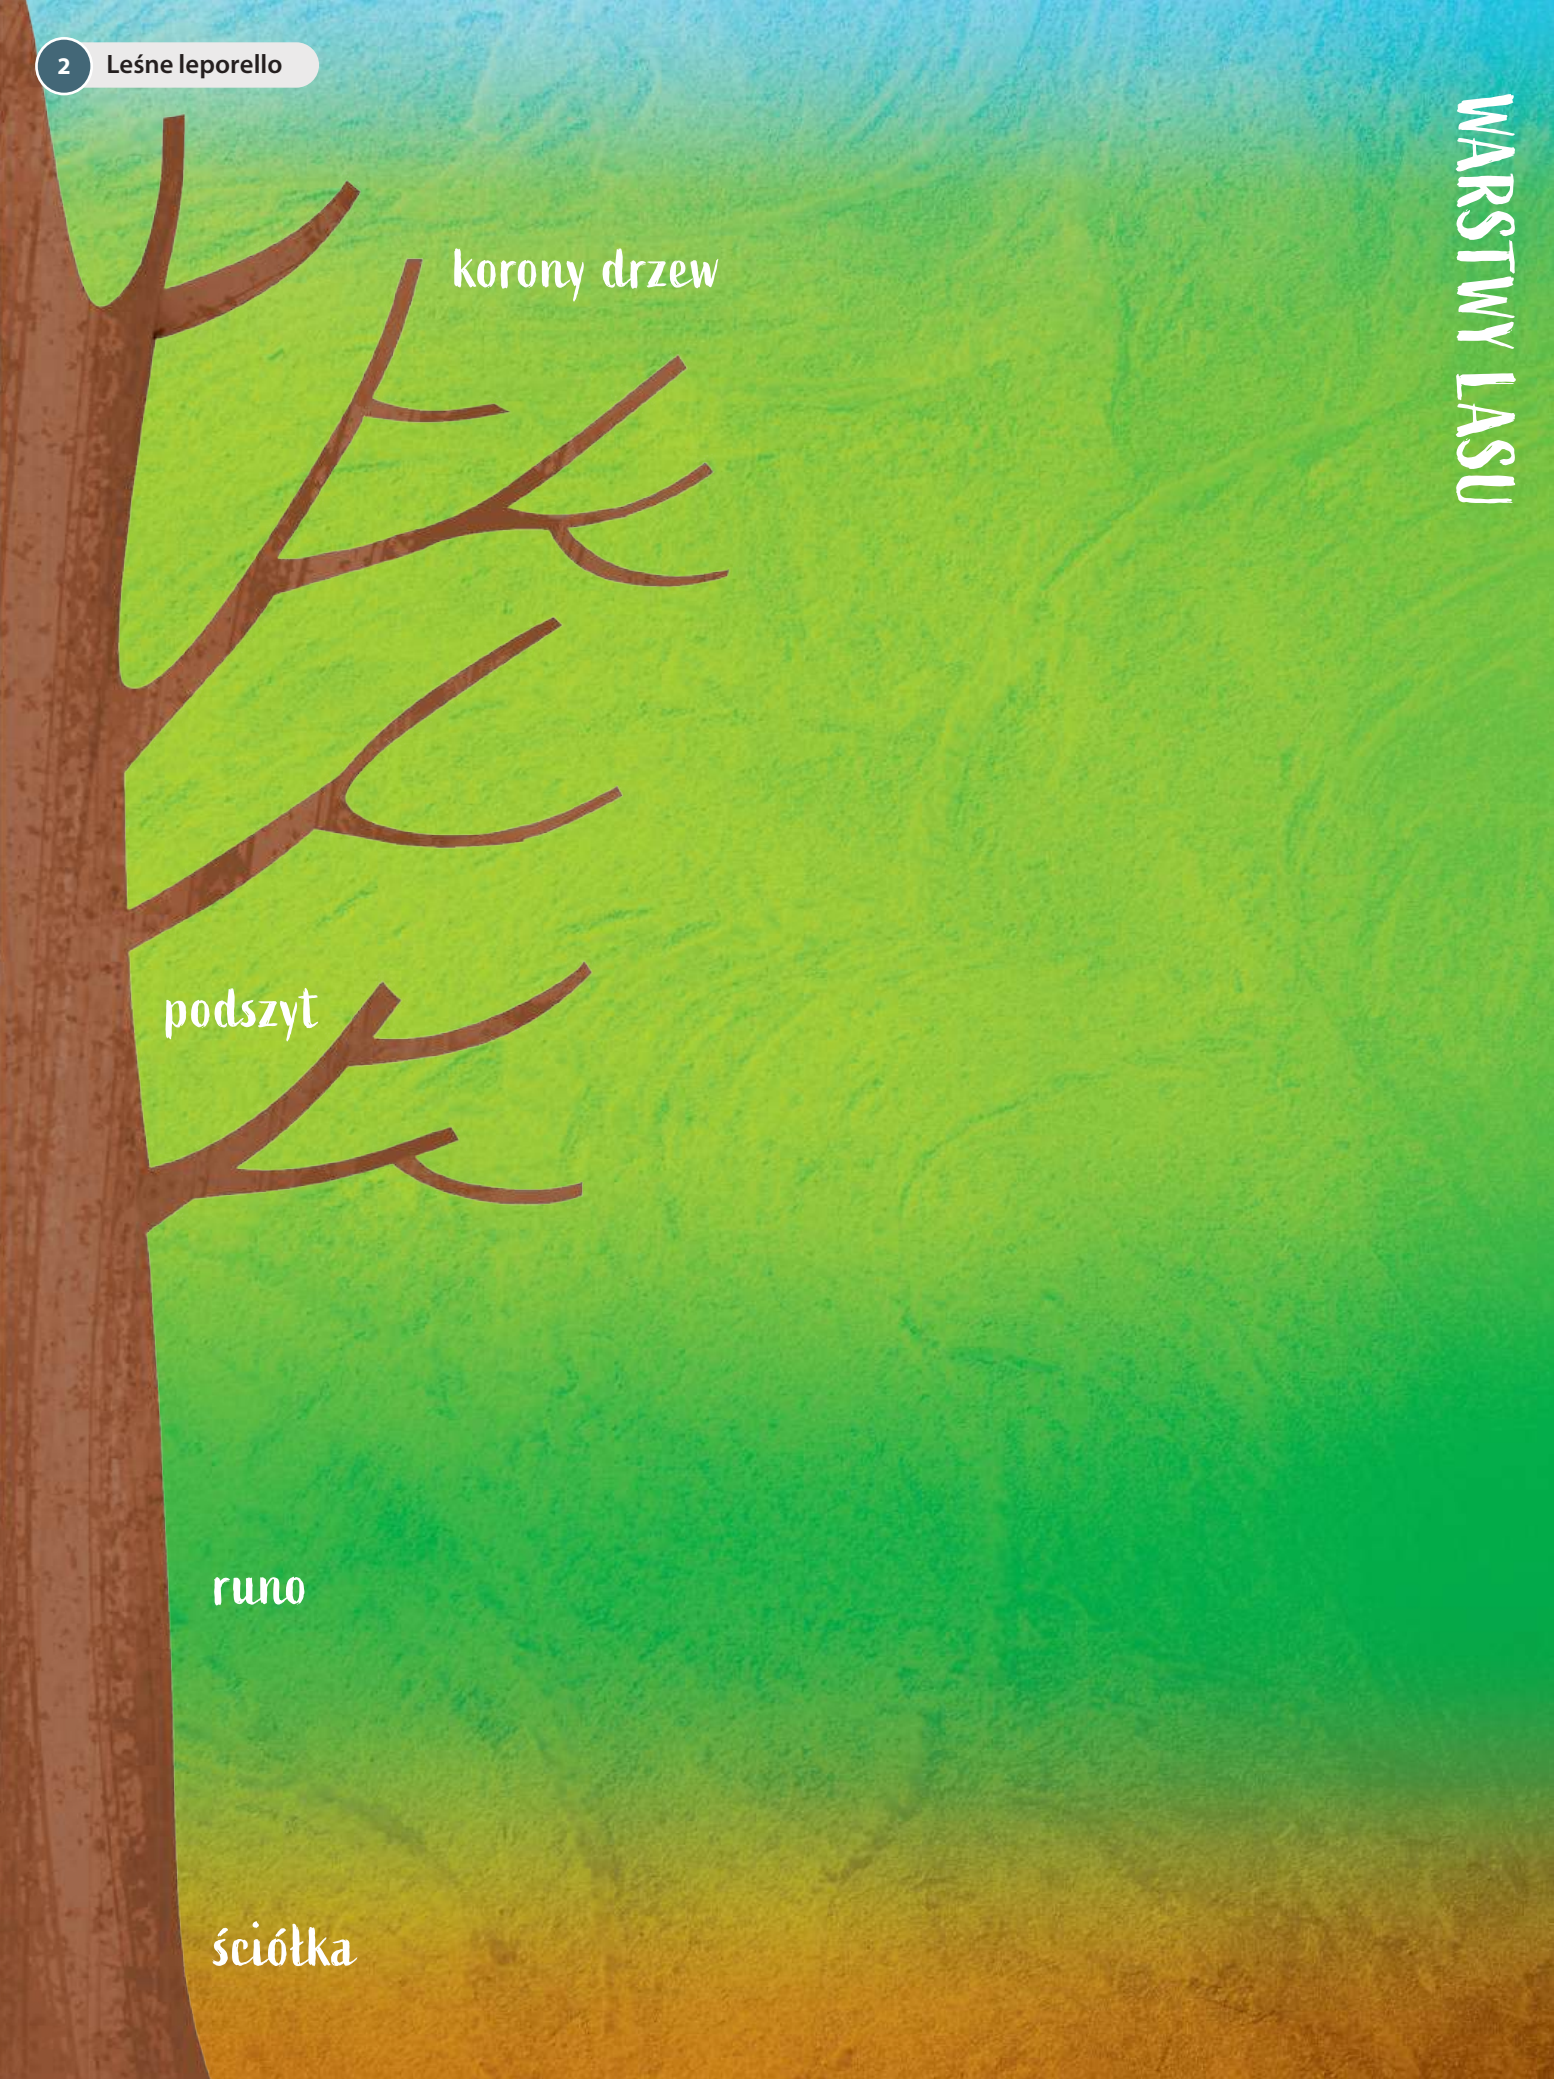

Klasa 3

ALE TO CIEKAWY

A vertical cross-section of a tree trunk on the left side of the page. The trunk is brown and textured. From the trunk, several dark brown branches extend upwards and outwards. The background is a vertical gradient of green, from a lighter yellow-green at the top to a darker green in the middle, and then a brownish-yellow at the bottom. The text labels are placed next to the corresponding layers of the forest.
